IAS STAFF MEETING MINUTES

31 May 1974

1. [redacted] reported on the Executive Council meeting he attended today at Headquarters:

a. It has been recommended that all photo reconnaissance of Laos be placed under JRC auspices.

b. Tuesday, 4 June, a Career Board Meeting on senior schools will be held following the Executive Council Meeting.

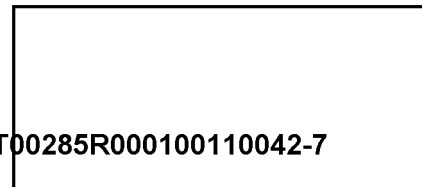

c. Mr. Lehman announced he was preparing a letter which will institutionalize the NID. The OCI survey indicates reception is affirmative. J. King talked at length of the problems the NID has posed for his cartography division. The cost of production is very high.

d. It was announced that Sayre Stevens, ORD, will replace Dr. Steininger as ADDS&T. Hirsch of OEL will become C/ORD. [redacted] of NRO will become C/OEL.

f. The DCI was very pleased with the work geographers and cartographers of OBGI did Wednesday and Thursday on the new Middle East maps.

g. Mr. Proctor discussed with CRS the possibility of putting on film, with accompanying commentary, pictures of people the President might meet on his forthcoming trips. Mr. Eisenheiss has done this before and stated it was extremely costly. Some examples of the past will be shown the DDI.
